ROCKING THE RUNWAY

FASHION SHOW

SPCC Lobby

Monday, December 14, 2015

12:15pm - 1:30pm

2015 fashion runways were filled with Boho Chic and other 70's inspired looks from Valentino to Marc Jacobs. Well People, we've got the real deal in a great mix of couture, designer and purely distinct boutique looks including Valentino, Lanvin & more!

All Models are fashion-forward County Employees fiercely strutting to help those in need...YAY!!!

Come to shop for great items from boutique vendors; try to win various raffle drawings during the show; and have fun in our paid VIP seated area supporting the models as they strut for cash for charity! Lots of dollars are requested!!! If you can't make it, send your dollars in support! We encourage it!

Have your people call our people to collect them! Every little bit helps! ☺
